The Form Teacher assigned to each class will endeavour to build a good relationship with each pupil and is also responsible for primary guidance, counselling and discipline during years 8-12.

The Form Teachers are supported by the Year Heads, Senior Teachers in charge of Pastoral Care, the Vice-Principal and the Principal.

DISCIPLINE

Markethill High School insists on very high standards of behaviour. At the start of each year, parents sign a contract indicating their support for all elements of school life.

The school operates a popular merit system aimed at fostering and encouraging positive behaviours in all aspects of school life. Pupils can accrue 'merit' points which are recognised and celebrated throughout the academic year. The pupils and form classes with the most points can receive special privileges or rewards.

Pupils can attain merit points, amongst other things, for:

Educational visits also play an important part in the curriculum offered, including trips closer to home and abroad.

MONITORING PUPIL PROGRESS

In keeping with the principles of Assessment for Learning, it is the school's policy that pupils are assessed on a regular basis, both through homework and through class-based continuous assessment tasks.

Diagnostic, formative and summative pupil performance data is used to monitor progress and compare to targets which teachers and pupils have set.

Reports are issued in December and June.

All classes are tracked using the Lesson Monitor module in SIMs.

All teachers keep their own class records and these are used in the standardisation and monitoring of work within subject departments.

A pupil may be placed on some level of further support or intervention, as and when required.
